Dear Michael Randall,

It is with great gratitude that I thank you for participating in our annual Academic One Fair at Heritage Academy. This year's theme was centered around Science, Technology, Engineering, and Mathematics (S.T.E.M.). The students' participation was validated even more because of your presence. Through the scientific process, the children demonstrated their learning and you were an integral part of making our Academic One Fair a success. We, at Heritage Academy, are proud of our students and sincerely thank you for your presence.

Yours in education,
