EDUCATION

Texas Southern University, Expected May 2009 Houston, TX
Bachelor of Science, Mathematics and Chemical Engineering; 4.0 GPA

PROFESSIONAL EXPERIENCE

Summer 2008 **Shell Oil Company** Houston, TX
Intern

A summer intern works with Chemical Engineers in the various departments on several expansion projects.

- Recommended and implemented renovations program for out-of-date facilities, saving \$20 million in new building costs.
- Managed and completed more than forty (40) projects in less than three (3) months.
- Accomplishment #3

Summer 2007 **Conoco-Philips, Inc.** Phoenix, AZ
Intern

A summer intern assists with the chemicals technology group as well as helps in the continuing efforts of different programmatic needs.

- Recommended and implemented new switching center design, which resulted in improved equipment maintenance and switching operations.
- Achieved one hundred forty (140) percent growth in productivity for the Department.
- Accomplishment #3

Spring 2006 **Texas Southern University** Houston, TX
Research Assistant

A volunteer with Big Brother Big Sister is responsible for helping with program coordination, distribution of materials, event planning, office needs and general office and field projects.

- Train staff on use of new programs and developed voice-automation system that increased productivity, which allowed fifteen (15) percent staffing reduction.
- Recruited and trained over twenty-five (25) volunteers for the organization, which saved \$500,000 dollars in operating and administrative costs.
- Increased the mentoring program numbers by seventy-three (73) percent in three (3) months.
